WRSSF acts as a coordinating and facilitating organization and inspires, animates, supports and promotes the developmental interventions of its 17 Partner Diocesan Social Service Societies (DSSS) for the integral development of people. WRSSF adopts an inclusive approach and does not discriminate anyone on the basis of caste, gender, religion, creed or linguistic groups. The organization implements programs based on the developmental needs of the four zones of its operational area – Gujarat, Marathwada, Konkan and Vidarbha.

WRSSF helps its Partner Organizations to build up strong organizational system by formulating relevant policies and procedures. It also gives handholding support to the Partner Organizations on various thematic areas such as sustainable development, local resource mobilization, strategic planning, project implementation etc. by networking with the Government, Corporates and other Funding Organizations.

WRSSF has focused mainly on three objectives for this year and that is Media Visibility by promoting it to the partners, which in turn yielded positive results from the Partner Organizations. The second objective was on building networks with Corporates for CSR-Connectivity, we have conducted trainings on Capacity Building for Partner Organization and Social Medias like Facebook, WhatsApp etc are regularly updated .

Vice Chairman's Message

Dear Partners, Associates and Friends of the Western Region Social Service Forum,

The Western Region Social Service Forum – WRSSF – as the Social Development Wing of the Western Region Bishop's Council with its Regional level presence in the States of Gujarat, Dadra & Nagar Haveli, Goa and Maharashtra, has been involved with several meaningful interventions aimed at coordinating and strengthening the Social Development Ministry of the Catholic Church in these States. Integral Human Development is the inalienable right of every person and the Catholic Church through its numerous service- outlets strives to offer all possible support to every person for his / her development.

I thank the Partners, Associates and Friends of the WRSSF for the selfless service and hard work that you render to the downtrodden and marginalized of the society, inspired by the teachings of our Lord.

The focus of the Forum in this year is Catholic Social Teachings (CST) and volunteerism. Catholic Social Teaching and Volunteerism are also two of the strategic pillars of Caritas India for the next five years. All the Bishops of the Western Region Bishops Council have unanimously supported this idea and want their Dioceses involved in promoting this teaching in their dioceses and to the people at large.

It is our Vision to establish a just society where Gospel Values of Love, Equality and Peace are lived and nurtured among all the people. This can be done by promoting human dignity of all through a process of empowerment of the poor and the marginalized. The purpose of enabling everyone to experience the fullness of life can be achieved. Western Region Social Service Forum – WRSSF - engages itself with numerous fruit-bearing and innovative programs in the social development sector, and to this end we will have many capacity building activities and media visibility in all it's activities for a fruitful resource mobilization.

As the Vice - Chairman of WRSSF, I am closely associated with the different activities of WRSSF for the past year. During the year 2017-2018, WRSSF had been able to enhance its service quality to its Partner Organizations and other stakeholders and was able to achieve tangible results in the consistent growth process of the Organization. I congratulate and thank Rev. Fr. George Vattamattam, the Director and Staff of WRSSF for their sincere and dedicated service for this great achievement.

I invoke God's blessings on WRSSF and extend my prayerful good wishes to the Director, Staff and all Partnering Diocesan Social Service Societies of WRSSF.

Bishop Jose Chittooparambil CMI
Vice Chairperson
Western Region Social Service Forum

Message from the Executive Director

Another year, another memorable year has just gone by!
It is with great sense of satisfaction I write that this year was a memorable one.
In the last AGBM held in July 2018 WRSSF released its Strategic Plan (2017 – 2027), after having invested good and fruitful part of our time and efforts of 3 years in formulating the Strategic Plan (2017 – 2027). The purpose of this was to focus on our years of experience in the social development sector with three key areas like Capacity Building, CSR Connectivity and Media Visibility.
The Western Region Social Service Forum (WRSSF) completed "Vibhavana" project on 30th September 2018 and we undertook work in the areas of Capacity Building which included workshops and trainings to Partner Organizations, partner support visits, reflection meets, Associate Partner meets etc. Through CSR Connectivity we have connected many corporate with our partners and also mobilized resources for WRSSF and for partners. To enhance the media visibility for WRSSF as well as its partner organizations we have also taken initiatives through networking and advocacy with other like-minded government/non-governmental organizations and corporate bodies. There were also interactive sessions between WRSSF & DSSS of the entire Western Region Partners.
This year the focus of WRSSF is Catholic Social Teaching (CST) and Volunteerism. Catholic Social Teaching and Volunteerism are also two of the strategic pillars of Caritas India for the next five years. We have presented these focus areas to the Western Region Bishops Council in December 2018 and the council has encouraged us to take this up for the year. Accordingly, we scheduled an extensive Training of Trainers on this subject for all the Partner Directors and their key staff in the month of April 2019 in Mumbai.
Catholic social teaching is based on and inseparable from our understanding of human life and human dignity. Every human being is created in the image of God and redeemed by Jesus Christ, and therefore is invaluable and worthy of respect as a member of the human family. Every person, from the moment of conception to natural death, has inherent dignity and a right to life consistent with that dignity hence human dignity comes from God! Our commitment to the Catholic social mission must be rooted in and strengthened by our spiritual lives. In our relationship with God we experience the conversion of heart that is necessary to truly love one another as God has loved us. Our social apostolate is the best platform to transmit the real meaning of life to the people. I Request all partners to depart CST to all our faithful through various activities.
We look forward to the upcoming year with greater participation, hope and vigor to translate our Strategic Plan into action.
Thank you all !

Fr. George Vattamattam
Executive Director,
Western Region Social Service Forum, Mumbai .
